

June Williams

LLB (Hons)

Call 1999

June's specialist practice is in Family Law, and she regularly undertakes both private and public law cases. She provides robust representation and offers realistic and practical advice, striving to achieve the best outcome for her clients, whether via negotiation or contested proceedings. She acts for parents, grandparents, other extended family members and guardians, and is experienced in representing vulnerable clients.

Practice Groups

Civil, Family

Private Family Cases

June is instructed in a variety of Children Act applications, including intractable disputes concerning the living and contact arrangements for children; specific issue applications (i.e. such as schooling; removal from the jurisdiction; relocation disputes; name change); and enforcement applications.

Public Family Cases

June represents clients at all stages of Care and Adoption proceedings.

Financial Resolution Cases

June represents clients in the resolution of their financial affairs, following the breakdown of a marriage or relationship, in low to mid net worth cases. She seeks to find the best and swiftest resolution where possible, to protect the clients from the financial and emotional damage caused by prolonged contested proceedings.

Injunctive Relief

June undertakes cases where clients seek injunctive protection from physical and emotional harm, and seek the occupation of a home.

Additional Practice Areas

Personal Injury

This includes representing both Claimants and Defendants mainly in Road Traffic Accidents and slipping and tripping cases.

Other common law work

June has represented clients in Tort, Contractual and Landlord and Tenant disputes, and has been instructed in Bankruptcy and Company Court cases.

Direct Access

June accepts direct access instructions.
